

Classical Pursuits Frequent Reader Program FAQs

What is the Frequent Reader discount?

For every C\$1,000 (pre-tax) you spend on Classical Pursuits online seminars, get C\$50 in credit.

Spend more than C\$5,000 (pre-tax) within any one Frequent Reader period and get an extra C\$200 in credit.

The Frequent Reader period runs January 1 to December 31, and resets each year. Your spending totals for the year are based on when you purchase a seminar, not when the seminar runs.

How do I use my credit?

We'll automatically send you a code for each C\$1,000 you spend.

Can I save my credits and use multiple C\$50 credits in one order?

Yes, just let us know and we'll send you a code for the total value of the credits you've accrued.

Is there a limit to the number of credits I can get within a Frequent Reader period?

There is no limit to the number of C\$50 credits per C\$1,000 spent. Each participant can get only one bonus C\$200 credit per Frequent Reader period.

Do the Frequent Reader credits expire?

Credits do not expire. The Frequent Reader period runs from January 1 to December 31, and your spending totals reset at zero each January 1.

Can someone else use my Frequent Reader credit?

No, sorry.

I don't know how much I've spent.

We do! Just contact us and we will let you know.

Do in-person Toronto Pursuits seminars count toward my Frequent Reader spending?

No, but we do offer various discounts on Toronto Pursuits seminars.

Can Frequent Reader credits be applied to Classical Pursuits trips?

No, sorry, the Frequent Reader program is only for online seminars. Our travel partner Worldwide Quest does offer benefits for repeat travellers, though.
